The utmost has been done to ensure that the content of this publication is accurate and up-to-date when going to press. This document has been created on the basis of pilot lots and prototypes. As part of its ongoing product improvement policy, Renault reserves the right to modify the specifications, vehicles and accessories described and shown at any time. Such modifications are communicated to Renault dealers as quickly as possible. Depending on the country of sale, certain versions may differ and certain equipment may be unavailable (as standard, optional or accessory). Please contact your nearest dealer for the latest information. Photos are for illustrative purposes only. For printing reasons, the colours which appear in this document may differ slightly from the actual paint and the upholstery colours. All rights reserved. It is forbidden to reproduce in any format and by any means all or part of this publication without prior written authorisation from Renault.

RENAULT GRAND MÉGANE. THE ULTIMATE COMBINATION OF PRACTICALITY, DESIGN AND TECHNOLOGY. A PERFECT BLEND OF SPACE AND STYLE.

DRIVE THE CHANGE

THE FUTURE OF THE SPORT TOURER STARTS HERE

In order to deliver both responsive and secure handling, the Grand Mégane has a perfectly balanced chassis and precise steering. Discover the new EDC (Efficient-Dual Clutch) automatic gearbox that offers top level performance with comfort and driving pleasure and comes with very low consumption and emission level. Together with a range of high-performance economical and ecological diesel engines (all available dCi engines with Band A, lowest road tax : 104€ per year), the Grand Mégane is proof that driving an estate car can be a real pleasure.

The Grand Mégane's boot offers a generous load area from 486 litres with the five-seat configuration, up to 1600 litres by simply folding down the rear seats. Spacious and ingenious, the Grand Mégane's boot comes with a clever storage compartment system that makes it easier to organise the loading space and to make your life and journey easier.

To get you where you want to go with minimum fuss, the Grand Mégane offers an easy-to-use satellite navigation solution (as standard or option), developed exclusively with TomTom®, world-renowned experts in the field.
